ABOUT ME

I'm a software developer from Honduras; I've been working since 2011 as a developer for a pharmacy. I came to Dublin to improve my English and growth. I'm open to help with any task you need. I like the cook, although I never took a cooking class. I'm looking forward to working together.

WORK EXPERIENCE

◉ Jan 2009 - Nov 2011

Developer at ITNova

Develop system for a pharmacy
Install CCTV on different company
Develop system for Human Resources

◉ Nov 2011 - Oct 2020

Developer/Scrum Master at Grupo Farsiman

Integrated Payment with BAC Bank
Developed system of GiftCards
Lead team of Developers as Scrum Master
Migrate different systems to Angular, for a better user experience

◉ Apr 2021 - Jan 2022

Full Stack Developer at Code Exitos

Improved the user experience on the rental process on Jobbox
Implemented changes on user experiences on Quotient App
